Letter to the Editor

THANK YOU, CORONADO

I am honored to have been elected to one of the two open seats on the Coronado City Council and would like to thank everyone who supported my campaign. The process was very rewarding and gave me the opportunity to learn more about our great city and make many new acquaintances. We are very fortunate to have informed and engaged residents here in Coronado.

Another plus was getting to know the other candidates better. I really enjoyed the camaraderie we developed throughout the campaign process. Congratulations to all for running great campaigns addressing the issues we face now and in the future. And, congratulations to Whitney and Richard for successfully earning their new positions as city council member and mayor.

I look forward to our swearing in at the December 20 city council meeting and to representing the residents of Coronado.

Mike Donovan
